

It's not just a man's world...

Heavy Highway Trades

Pre-Apprenticeship

Designed Specifically for Women

Our Pre-Apprenticeship program is designed to open career paths to the heavy highway construction trades. Funding, made possible from our partnership with the Oregon Bureau of Labor and Industries, allows us to offer this program **FREE** to women in eastern Oregon.

Training areas and Certifications:

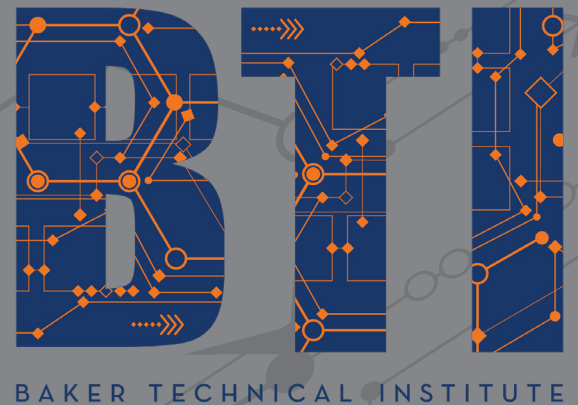

- Heavy Equipment Operation
- Concrete Masonry
- Welding
- Blueprint Reading
- Applied Construction Math
- Forklift Operation Certification
- Traffic Control/Flagger Certification
- OSHA 10 Certification
- Employment Readiness (Includes cover letter, resume and interview training)

Dates/Time: June 7-25, 2021 (M-F)
8:00 am - 5:00 pm

Location: Baker Technical Institute
2500 E Street
Baker City, Oregon

Class size limited!
